PROFESSIONAL EXPERIENCE

Information Technology Intern — 06/02/25 – 08/22/25, Cranford, NJ
New Jersey Department of Children and Families
- Imaged and deployed IT equipment, ensuring smooth integration and security compliance.
- Managed user account creation, modification, and deactivation in Active Directory.
- Assisted with equipment distribution, inventory tracking, and asset management.
- Provided end-user support, troubleshooting hardware, software, and network issues.
- Assisted in security remediation, addressing vulnerabilities and ensuring compliance.

Unit Leader — 07/2022 – 08/2024, Newton, NJ
Camp Lou Henry Hoover
- Led a team of 5+ staff and 30+ campers creating a safe and engaging environment.
- Honored as "Counselor of the Week" seven times for creativity and flexibility.

TECHNICAL EXPERIENCE

Rutgers Center of Learning Development Website — 10/2024
- Enhanced website accessibility and readability by redesigning the layout and navigation, resulting in a more user-friendly experience for students and staff.
- Increased website traffic by 27% within the first week of the redesign, demonstrating the immediate positive impact of the updates on user engagement and visibility.

"RU Open?" Website — 10/2024
- Created an interactive tool for displaying real-time dining hall hours by providing easy access to essential dining information.
- Implemented JavaScript to dynamically update dining hall hours, enhancing site usability and ensuring up-to-date information for over 50,000 students.

"The Badger Bakes" Website — 08/2023 – 12/2023
- Launched a responsive website centered around cooking tips, recipes, and videos through a mobile-friendly interface within 7 days.
- Curated multimedia content to improve accessibility and usability, resulting in better user experience.

PR and Communications Manager — 09/2022 – 05/2024, Pittsburgh, PA
Pitt Computer Science Club
- Increased Instagram followers by 55% and newsletter retention by 30% through targeted content strategies.
- Designed logos and branding for the Steel Hacks and CSC Hacks hackathons, and gained over 100 participants.
- Devised club t-shirts for two semesters, enhancing outreach and visibility.

Hackathon Track Winner — 10/2022, Pittsburgh, PA
The Pitt Challenge
- Won 'Best Use of Velo by Wix' out of 78 participants by developing the front-end with CSS of our website and creating a Figma prototype, enhancing both user experience and app functionality.
- Implemented front-end user interface, ensuring responsive design for mobile and desktop views, optimizing user interaction while using Velo.
